

MILES RIVER YACHT CLUB

2021 Boardman's Challenge

Notice of Event

July 31, 2021

1. **RULES:** Each active log canoe of the CBLSCA can offer up one team of 4 boardman to represent their canoe. Only those 4 boardmen will compete in the events.

You are required to bring one board and one bailing bucket from your canoe.

2. **ELIGIBILITY:** To be considered a boardman, you must:
 - A. Have raced at least 20% of the races in the last 2 years on the canoe you are representing
 - B. Not have trimmed a jib, fore, main, or skippered in the last 3 years

We expect that participants are standard crew onboard the canoe in either a primary boardman, inside boardman, squelchie, or bailer position. Sail trimmers and skippers are not boardmen.

If there is some question if a participant actually meets the requirements, we will defer to the skipper of the canoe in question as to the qualification of the participant.

3. **REGISTRATION:** We will want to know the names of each representative participant for each canoe. You can also tell us a nickname, if you like. Register at the event.

4. **REGISTRATION FEE:** None – but bring your board and a bailer bucket

8. **EVENT AREA:** The events will be held in the field and the pool at the Miles River Yacht Club.

10. **SOCIAL:** This event is about 80% social. Bring all your crew and friends – everyone is welcome. A bar will be set up at the pool for purchasing beverages. Please don't bring alcohol on the Club grounds. We might have some snacks and other items too. Because it is a race weekend, the Club is open for normal food and beverage service afterward.
